Annual General Meeting

The Annual general meeting was held at 10-30am prior to the golf day at Kingston Heath and all current members of the committee were reinstated for another year. The nominations received matched the positions available so there was no need for any elections. The Annual Report and Annual Accounts were approved and anyone wanting a copy of the Annual Report can either download it from the MCC website or on request, have it emailed from John Webster or Stan Bates.

Sponsorship of our Golf days

As many members would be aware a few of our days in past years have been sponsored by members or by companies of our members. The sponsorship which can involve providing some prizes ranging from golf bags to stays at luxury resorts for the individual event winners or cash to buy prizes has resulted in reductions of entry fees for players and better prizes. In order to again try and achieve reduction in entry fees for other days we are seeking repeat sponsors and new sponsors. Most courses that we play on will allow a certain amount of sponsors' signage to be erected around the courses and in the Clubhouse on the day if desired.

If any members know of any potential sponsors, either companies or individuals please contact Stan Bates at 9530 6750 or 0418 127 552. Or email stanb@bigpond.net.au All the venues we play at allow signage on the course and in the dining room on the day.
