BOOKING RESERVED EVENTS

As seating is reserved at these events, both ANZ Stadium Members and Partner Members must book prior to the event to signify their intention to attend. A ticket will then be issued to them. To book your tickets head to www.anzstadium.com.au/reciprocal.

ANZ Stadium alters the size of its Members' Reserve, based on how many Members and Guests are attending, to a maximum of 18,400 seats in the Members' Stand.

Booking Process

1. Prior to the booking close date (usually 6 weeks before each match), visit our website and make your request for tickets. You are also eligible to request up to three (3) guest tickets, if capacity allows.
2. All Reciprocal Rights Members requests will be processed at the closure of the booking period after ANZ Stadium Members and their Paying Guest's tickets are allocated.
3. Therefore there is no fixed cap on how many Reciprocal Members may attend a given event; if there is capacity up to the maximum of 18,400 seats in the Members' Reserve then all Reciprocal Rights requests will be granted.
4. You must bring your Club's Membership Card and matching photo ID showing your name to be granted access to the Members' Reserve. Tickets can be collected on event day from the ANZ Stadium Members' Box Office located at Box Office M/N. Your ticket must be kept with you at all times to access the Members' facilities.

Please note if you do not have access to the internet, please call ANZ Stadium Club on 1300 136 006 (Option 1) and one of our Members' Ticketing Representatives will be happy to make the ticket request on your behalf.

If the event is fully subscribed by ANZ Stadium Members then no reciprocal rights requests will be fulfilled. The price for each event is set by the hirer of the venue and is the same as the Paying Guest price made available to ANZ Stadium Members. This price is generally less than the Category 1 general public price for seats that are deemed Category 1 in terms of their view and facilities. Prices will be available at the opening date of each event.
