RECIPROCAL ARRANGEMENTS

We would welcome the following MCC members to our Club, with the following requirements:

Full members of MCC will obtain all entry privileges enjoyed by full members of WPCC
MCC members visiting our facilities must be on a short visit to Cape Town, and should not be residing permanently, or for an extended period, in South Africa.

Access is only available to full members of the MCC, and not members with limited rights
The WPCC Rules and Regulations and dress code applicable to WPCC members should be fully observed by the MCC members.

Reciprocal members wishing to visit our Club must please present their valid MCC membership card, a Letter or Card of Introduction dated for the period of the visit, as well as proof of residence outside South Africa. The Letter of Introduction must be authorised by the appropriate person at the MCC before facilities can be provided.

Reciprocal Members are entitled to purchase Cricket Match Tickets from the Newlands Members Ticket Office (A Gate) upon production of their membership card and Letter of Introduction and may reserve a pavilion seat on a first come first served basis. Adult members may purchase two guest tickets for international games. The Club reserves the right to change this ruling without prior notice to members. Members must accompany guests at all times in the pavilion.

Approximately 1.3km from the Newlands Cricket Grounds is the Club's Sports Centre, situated in the middle of 8 hectares of park-like surrounds where reciprocal members may use the Club's facilities. These facilities include:

Cricket fields – there are 4 cricket fields that the Club uses on a regular basis for our Club teams. The main field is the Wally Wilson, with spectacular views of Table Mountain. The Deck at the Sports Centre is a fantastic facility to support our league cricketers.

Hockey astros – there are 2 hockey astros, both flood-light, which are utilized by our league players and masters players throughout the year.

Social Squash – 6 ASB glass-backed squash courts may be booked through the Reception at the Sports Centre. Please be reminded to use non-marking soled shoes (i.e. no black soled shoes). Guest fees apply if you wish to play with a guest.

Social Tennis – 7 tennis courts may also be booked through Reception at the Sports Centre. Members are welcome to play during the day but will be charged a light levy if they wish to play at night. Guest fees apply if you wish to play with a guest.

Running - Time trials take place every Thursday evening, starting and finishing at the Sports Centre in Ave de Mist. Run the 4km or 8km course. All welcome.

Cricket Nets - Members may book one of the 4 indoor cricket lanes in the Indoor Centre, or alternatively one of the outdoor nets on the Wally Wilson field. Bookings should be made at the Sports Centre Reception.

Happy Hour - The Sports Centre Happy Hour takes place every Friday night from 17h00 to 19h00. It is hosted by a different sports section each week with many prizes to be won.

Plum Café - is situated on the second level of The Club.

We welcome all reciprocal members and their guests to join us at WPC. There are seating areas inside and outside, with spectacular views of the mountain and grounds.
