WOMEN & GIRLS GET INTO GOLF

The MCC Golf Section is proud to support the Golf Australia Get into Golf Women's Program by offering **financial sponsorship, free mentoring and waived Golf Section joining fee** for women or girls interested in taking up golf.

WOMEN & GIRLS GET INTO GOLF

Program Overview

Ideal for beginners or very new golfers this 5-week program is all about learning the game in a fun, friendly and easy-going environment. A great opportunity to meet new people whilst learning the basic skills of golf.

The program provides lessons which are conducted in small groups and focus on giving participants plenty of opportunities to explore skills and to build confidence to hit the golf course.

The program will be run at The Royal Melbourne Golf Club and The Northern Golf Club. Participants can choose either of the venues.

Core program

- Consists of 5 approximately 1 hour basic skills sessions followed by coffee or tea.
- Weekday or weekend depending on demand.
- Starting mid-April going into May 2024
- Women's only classes
- All equipment is supplied and golf shoes are not necessary.

Number of participants

We are keen to support up to 30 participants in groups of 4 to 6.

Cost to participate

With the financial support of the MCC and its Golf Section, the program is provided **free of charge** to participants.

Support for participants

MCC Golf Section members will provide support and guidance on how to further one's involvement in golf, club membership options, handicap requirements, etiquette etc. This is a great opportunity to reduce some of the mystique surrounding our sport.

Participants will be able to join into special MCC Golf Section development 9 hole golf days at Sandy Links to further their golfing experience.

If a participant chooses to obtain an official handicap they are encouraged and most welcome to join the MCC Golf Section, where the membership joining fee (currently \$75) for the MCC Golf Section will be waived.
