

Golf Section Membership, Booking and Cancellation Rules

Membership

A new member is required to pay a once off joining fee of \$75 and an annual subscription fee of \$50 due on 1 January each year. If joining after 30 June in any year, the first annual subscription is \$25 for the remainder of that year.

Membership renewals are due at the start of each calendar year. A renewal form will be sent to you in November.

If you do not renew by the 31st of March you will not be able to play until your renewal is paid.

If your renewal is not received by the 30th of June your membership status will change to un-financial and you will be removed from the mailing list.

To be re-instated onto the mailing list after the 30th of June all un-financial members will be required to pay a new members joining fee of \$75 plus the discounted annual subscription fee of \$25 as outlined on the Golf Section Membership Application form.

Event Cancellation

If you do not receive notification from the Golf Section Committee (GSC) you can consider an event as proceeding.

Events will only be cancelled when there are insufficient entries or when the course/club notifies the GSC that the course is closed.

The GSC will not cancel an event based purely on the weather forecast.

If an event is cancelled you will not be charged, so there is no credit towards the next event you attend. There may be a small charge if the club we are attending puts on a meal. All entries and cheques for the event will be destroyed.

Player Cancellation

If you cancel a booking after the entry closing date you will be charged for the event. You can only appeal this by writing to the Golf Section Committee.

You can cancel at any time prior to the entry closing date (see the entry form) and you will not be charged.

You can substitute a player at any stage for no charge. The Golf Section Secretary or Event Organiser of the day must be informed of the change.
